

Nuvolo Technologies Corporation  
Certificate Number: ISMS-NU-52322

# CERTIFICATE OF REGISTRATION

Information Security Management System  
ISO/IEC 27001:2013

**Nuvolo Technologies Corporation**

16 Mica Lane  
Wellesley MA 02481  
USA

**A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013. The scope and boundaries of the ISMS is as follows:**

The scope of the ISO/IEC 27001:2013 certification is limited to the Information Security Management System (ISMS) which supports Nuvolo Technologies Corporation as a provider of enterprise cloud-based solutions that define, structure, manage and automate services across the global enterprise, as well as all supporting resources including product development, service delivery, customer support, infrastructure, applications, and end-user services, aligned with the Statement of Applicability, approved March 2022. Assets within the scope of the ISMS include: internal information assets, customer data, software, hardware and people to provide, support and operate the enterprise cloud-based solutions. Additionally, Nuvolo partners with ServiceNow Inc. as a cloud service platform provider to host our Small Medium Business offering for customers. Excluded from the scope are all operations of third-party data centers and cloud service providers.
